

INDICE DEI CAPITOLI

Pathophysiology, epidemiology, and classification

Federica Jiritano, Giuseppe Filiberto Serraino, Pasquale Mastroroberto

Natural history, clinical manifestation, and guidelines

Antonio di Virgilio

Imaging for diagnosis

Luigi Lovato

Management of Type A aortic dissection

Massimo Chello, Mario Lusini

Management of Type B aortic dissection

Thierry Carrel, Paul Vogt, Martin Czerny

Management of intramural hematoma and penetrating aortic ulcer

Giuseppe Santarpino, Emanuele Malta, Pasquale Mastroroberto

Anesthesia and postoperative intensive care

Demetrio Pittarello

Cerebral protection in aortic arch surgery

Luca Di Marco, Carlo Mariani, Giacomo Murana, Chiara Nocera, Alessandro Leone, Davide Pacini

Operative technique: surgery of the aortic root in acute type A aortic dissection

Alessandro Leone, Luca Di Marco, Davide Pacini, Roberto Di Bartolomeo

Operative technique: Frozen Elephant Trunk operation

Giuseppe Santarpino, Ferdinand Vogt, Stefano Sechi, Pasquale Mastroroberto

Operative technique: thoracoabdominal aortic surgery

Pasquale Mastroroberto, Massimo Chello

Operative technique: endovascular treatment

Giuseppe Santarpino, Caterina Golini Petrarcone, Pasquale Mastroroberto

New biomarkers and perspectives

Giuseppe Filiberto Serraino, Pasquale Mastroroberto
