

## Table of contents

Prefaces

Acknowledgments

### **Part I: Introduction**

Chapter 1: Prenatal Imaging

Chapter 2: First Trimester Screening for Aneuploidy

Chapter 3: Second Trimester Screening for Aneuploidy

Chapter 4: Prenatal Diagnostic Procedures

Chapter 5: Fetal Intervention

### **Part II: Management of Fetal Conditions Diagnosed by Sonography**

Section A: Central Nervous System

Chapter 6: Agenesis of the Corpus Callosum

Chapter 7: Anencephaly

Chapter 8: Arachnoid Cyst

Chapter 9: Cerebral Calcifications

Chapter 10: Craniosynostosis

Chapter 11: Dandy-Walker Malformation and Variants

Chapter 12: Encephalocele

Chapter 13: Exencephaly/Acrania

Chapter 14: Holoprosencephaly

Chapter 15: Hydranencephaly

Chapter 16: Hydrocephalus

Chapter 17: Intracranial Hemorrhage

Chapter 18: Macrocephaly

Chapter 19: Myelomeningocele

Chapter 20: Microcephaly

Chapter 21: Porencephaly

Chapter 22: Vein of Galen Aneurysm

Section B: Craniofacial

Chapter 23: Cleft Lip and Cleft Palate

Chapter 24: Hemifacial Microsomia

Chapter 25: Hypertelorism

Chapter 26: Hypotelorism

Chapter 27: Macroglossia

Chapter 28: Micrognathia and Agnathia

Chapter 29: Microphthalmia/Anophthalmia

Section C: Neck

Chapter 30: Congenital High Airway Obstruction Syndrome

Chapter 31: Cystic Hygroma in Early Pregnancy

Chapter 32: Cystic Hygroma in Late Pregnancy

Chapter 33: Goiter

Section D: Thoracic

Chapter 34: Bronchopulmonary Sequestration

Chapter 35: Cystic Adenomatoid Malformation

Chapter 36: Other Cystic Lesions of the Chest

Chapter 37: Congenital Diaphragmatic Hernia

Chapter 38: Hydrothorax

Chapter 39: Pulmonary Agenesis

Chapter 40: Esophageal Atresia and Tracheoesophageal Fistula

Section E: Cardiovascular

Chapter 41: Tachyarrhythmias

Chapter 42: Bradyarrhythmias

Chapter 43: Atrial Septal Defects

Chapter 44: Ventricular Septal Defects

Chapter 45: Atrioventricular Canal Defect  
Chapter 46: Ebstein Anomaly  
Chapter 47: Hypoplastic Right Ventricle  
Chapter 48: Hypoplastic Left Ventricle  
Chapter 49: Pulmonary Stenosis and Atrisia  
Chapter 50: Aortic Stenosis  
Chapter 51: Coarctation of the Aorta  
Chapter 52: Tetralogy of Fallot  
Chapter 53: Double Outlet Right Ventricle  
Chapter 54: Truncus Arteriosus  
Chapter 55: Transposition of Great Arteries  
Chapter 56: Heterotaxy Syndrome  
Chapter 57: Cardiomyopathy  
Chapter 58: Intracardiac Tumors  
Section F: Abdominal-Wall Defects  
Chapter 59: Ectopia Cordis  
Chapter 60: Body-Stalk Anomaly  
Chapter 61: Pentalogy of Cantrell  
Chapter 62: Omphalocele  
Chapter 63: Gastroschisis  
Chapter 64: Cloacal Exstrophy  
Chapter 65: Bladder Exstrophy  
Section G: Gastrointestinal Tract  
Chapter 66: Cystic Lesions of the Abdomen  
Chapter 67: Choledochal Cyst  
Chapter 68: Ovarian Cysts  
Chapter 69: Intra-abdominal Calcifications--Hepatic  
Chapter 70: Intra-abdominal Calcifications  
Chapter 71: Pyloric Atresia and Stenosis  
Chapter 72: Duodenal Atresia and Stenosis  
Chapter 73: Jejunoileal Atresia and Stenosis  
Chapter 74: Colonic Atresia  
Chapter 75: Hirschsprung's Disease  
Chapter 76: Imperforate Anus  
Section H. Genitourinary Tract  
Chapter 77: Echogenic Kidneys  
Chapter 78: Multicystic Dysplastic Kidney  
Chapter 79: Polycystic Kidney Disease  
Chapter 80: Hydronephrosis: Minimal  
Chapter 81: Hydronephrosis: Ureteropelvic Junction Obstruction  
Chapter 82: Hydronephrosis: Bladder Outlet Obstruction  
Chapter 83: Hydronephrosis: Ectopic Ureterocele  
Chapter 84: Ambiguous Genitalia  
Chapter 85: Persistent Cloaca  
Chapter 86: Renal Agenesis  
Chapter 87: Sirenomelia  
Section I: Skeletal  
Chapter 88: Hemivertebrae  
Chapter 89: Achondroplasia  
Chapter 90: Thanatophoric Dysplasia  
Chapter 91: Osteogenesis Imperfecta  
Chapter 92: Campomelic Dysplasia  
Chapter 93: Diastrophic Dysplasia  
Chapter 94: Ellis-van Creveld Syndrome  
Chapter 95: Short Rib Polydactyly Syndrome

Chapter 96: Jarcho-Levin Syndrome  
Chapter 97: Achondrogenesis  
Chapter 98: Hypophosphatasia  
Chapter 99: Chondrodysplasia Punctata  
Section J: Extremities  
Chapter 100: Amniotic Band Syndrome  
Chapter 101: Arthrogryposis  
Chapter 102: Clinodactyly  
Chapter 103: Ectrodactyly  
Chapter 104: Polydactyly  
Chapter 105: Syndactyly  
Chapter 106: Radial Aplasia  
Chapter 107: Clubfoot  
Section K: Umbilical Cord  
Chapter 108: Umbilical Cord Abnormalities  
Chapter 109: Single Umbilical Artery  
Section L: Tumors  
Chapter 110: Cervical Teratoma  
Chapter 111: Liver Tumors  
Chapter 112: Mesoblastic Nephroma  
Chapter 113: Neuroblastoma  
Chapter 114: Retinoblastoma  
Chapter 115: Sacrococcygeal Teratoma  
Chapter 116: Wilms' Tumor  
Section M: Multiple Gestation  
Chapter 117: Malformations in Twins  
Chapter 118: Intrauterine Death in One Twin  
Chapter 119: Twin-to-Twin Transfusion Syndrome  
Chapter 120: Twin Reversed Arterial Perfusion Sequence  
Chapter 121: Conjoined Twins  
Chapter 122: Monoamniotic Twins  
Section N: Disorders of Growth  
Chapter 123: Intrauterine Growth Restriction  
Chapter 124: Overgrowth Syndromes  
Section O: Disorders of Amniotic Fluid Volume  
Chapter 125: Oligohydramnios  
Chapter 126: Polyhydramnios  
Section P: Hydrops Fetalis  
Chapter 127: Immune Hydrops  
Chapter 128: Nonimmune Hydrops Fetalis  
**Part III: Management of Fetal Chromosome Abnormalities**  
Chapter 129: Trisomy 13  
Chapter 130: Trisomy 18  
Chapter 131: Trisomy 21 (Down Syndrome)  
Chapter 132: Triploidy  
Chapter 133: Other Autosomal Aneuploidies  
Chapter 134: 45, X (Turner Syndrome)  
Chapter 135: 47,XXY (Klinefelter Syndrome)  
Chapter 136: 47,XXX Karyotype (Triple X Syndrome, Trisomy X)  
Chapter 137: 47,XYY  
Chapter 138: Tetrasomy 12p (Pallister-Killian Syndrome)  
Chapter 139: 22q11.2 Deletion (DiGeorge Syndrome)  
Index
