

Table of Contents:

I: Plant Peptides Section

II: Bacterial/Antibiotic Peptides Section

III: Fungal Peptides Section

IV: Invertebrate Peptides Section

V: Amphibian/Skin Peptides Section

VI: Venom Peptides Section

VII: Cancer/Anticancer Peptides Section

VIII: Vaccine Peptides Section

IX: Immune and Inflammatory Peptides Section

X: Brain Peptides Section

XI: Endocrine Peptides Section

XII: Ingestive Peptides Section

XIII: Gastrointestinal Peptides Section

XIV: Cardiovascular Peptides Section

XV: Renal Peptides Section

XVI: Respiratory Peptides Section

XVII: Opioid Peptides Section

XVIII: Neurotrophic Peptides Section

XIX: Blood-Brain Peptides Section

XX. Peptide Biosynthesis and Processes Section

XXI. General Peptide Topics Section
