

Table of Contents:

1. Total Hip Arthroplasty
2. Total Knee Arthroplasty
3. Total Shoulder Arthroplasty
4. Total Elbow Arthroplasty
5. Metacarpophalangeal Joint Arthroplasty
6. Hip Fractures
7. Elbow Fractures and Dislocations
8. Radial Head Replacements
9. Contracture Release of the Elbow
10. Hinged Dynamic External Fixation of the Elbow
11. Distal Radial Fractures
12. Scaphoid Fracture
13. Phalangeal and Metacarpal Fractures
14. Flexor Tendon Repairs
15. Extensor Tendon Repairs
16. Flexor Tenolysis
17. Upper Extremity Surgical Intervention in Patients with Cerebral Palsy: Musculotendinous Procedures
18. Ulnar Nerve Transposition
19. Thumb Carpometacarpal Joint Arthroplasty
20. Ulnar Collateral Ligament Repair
21. Volar Plate Arthroplasty
22. PIP Joint Replacement
23. Dynamic External Fixation of the PIP Joint
24. Dupuytren's Fasciectomy
25. Lower Extremity Surgical Intervention in Patients with Cerebral Palsy: Bone and Musculotendinous Procedures
26. Spinal Fusion in Adolescent Idiopathic Scoliosis
27. Congenital Muscular Torticollis
28. Lumbar Microdiscectomy
29. Rehabilitation for Osteoporosis
30. Adult Lumbar Fusion
31. Hip Arthroscopy

32. Rehabilitation following Microfracture Procedure of the Knee
33. Patella Tendon Repair
34. Proximal & Distal Realignment
35. Anterior Cruciate Ligament Reconstruction
36. Posterior Cruciate Ligament Reconstruction
37. Meniscal Repair/Transplantation
38. Rehabilitation following Achilles Tendon Repair
39. Lateral Ankle Reconstruction
40. Rotator Cuff Repair: Arthroscopic and Open
41. Sub-Acromial Decompression
42. Anterior Stabilization Surgery
43. Posterior Stabilization Surgery
44. SLAP Repair
45. UCL Reconstruction
