

## **Table of Contents:**

Part 1 Medical Dermatology

Chapter 1 Acneiform Disorders

Acne

Acne Vulgaris

Pomade Acne

Steroid Acne

Infantile Acne Pediatric Perspectives

Neonatal Acne (Acne Neonatorum) Pediatric Perspectives

Acne Rosacea

Hidradenitis Suppurativa

Perioral Dermatitis

Chapter 2 Bullous and Pustular Disorders:

Bullosis Diabeticorum

Bullous Pemphigoid

Impetigo

Infantile Acropustulosis

Pemphigus Foliaceus

Pemphigus Vulgaris

Chapter 3 Collagen Vascular Diseases

Dermatomyositis

Livedoid Vasculopathy

Lupus

Chronic Cutaneous Lupus

Discoid Lupus Erythematosus

Subacute Cutaneous Lupus Erythematosus (SCLE)

Systemic Lupus Erythematosus

Scleroderma

Localized Scleroderma (Morphea)

Systemic Sclerosis

Chapter 4 Eczematous Disorders

Allergic Contact Dermatitis

Atopic Dermatitis

Dyshidrotic Eczema/Pompholyx

Irritant Contact Dermatitis

Lichen Simplex Chronicus

Nummular Eczema

Chapter 5 Granulomatous Disorders

Granuloma Annulare

Sarcoidosis

Chapter 6 Hypersensitivity and Allergic Disorders

Arthropod Bites

Fixed Drug Eruption

Erythema Multiforme

Erythema Nodosum

Exfoliative Dermatitis/Erythroderma

Polymorphous Light Eruption

Urticaria

Chapter 7 Infectious Diseases

Candidiasis

Cellulitis

Chancroid

Donovanosis

Exanthems

Folliculitis

Furunculosis

Human Papilloma Virus (HPV)

Lymphogranulomavenereum (LGV)

Pityriasis versicolor

Syphilis

Tinea Capitis and Pediatric Perspectives

Tinea Corporis

Tinea Unguim

Chapter 8 Lichenoid Disorders

Lichen Amyloidosis

Lichen Nitidus

Lichen Planus

Lichen Sclerosus and Pediatric Perspectives

Lichen Striatus

Chapter 9 Papulosquamous Disorders

Parapsoriasis

Pityriasis Rosea

Psoriasis and Pediatric Perspectives

Seborrheic Dermatitis

Part 2 Pigmentary Disorders

Chapter 10 Hyperpigmented Disorders

Acanthosis Nigricans

Benign Melanonychia

Confluent and Reticulated Papillomatosis of Gougerot and Carteaud (CRP)

Drug-Induced Pigmentation

Erythema Dyschromium Perstans

Exogenous Ochronosis

Gingival Hyperpigmentation

Melasma

Mongolian Spots

Nevus of Ota

Pigmentary Demarcation Lines

Post Inflammatory Hyperpigmentation (PIH)

Solar Lentigines

Transient Neonatal Pustular Melanosis

Chapter 11 Hypopigmented Disorders

Hypomelanosis of Ito

Hypopigmented Cutaneous T-cell Lymphoma

Hypopigmented Sarcoidosis

Pityriasis Alba

Vitiligo and Pediatric Perspectives

Part 3 Follicular Disorders and Alopecias

Chapter 12 Alopecias

Alopecia Areata

Alopecia Mucinosa

Central Centrifugal Cicatricial Alopecia

Dissecting Cellulitis

Discoid Lupus Erythematosus

Traction Alopecia

Traumatic Alopecia: Chemical, Heat and Mechanical

Trichotillomania

## Chapter 13 Follicular Disorders

Acne Keloidalis Nuchae

Folliculitis Decalvans

Pseudofolliculitis Barbae

## Part 4 Tumors Benign and Malignant

### Chapter 14 Benign Lesions

Acrochordon

Dermatofibroma

Dermatosis Papulosa Nigra

Epidermal Nevus

Epidermoid Cyst

Keloids

### Chapter 15 Malignant Neoplasms

Basal Cell Carcinoma

Cutaneous T-cell Lymphoma (CTCL)

Dermatofibrosarcoma Protuberans (DFSP)

Malignant Melanoma

Squamous Cell Carcinoma

## Part 5 Cosmetics

### Chapter 16 Cosmetic Applications

Hair Cosmetics

Skin Cosmetics

### Chapter 17 Cosmetic Procedures

Botulinum Neurotoxin-A (BoNT-A)

Chemical Peels

Fillers

Hair Transplantation

Lasers, Light Sources and Other Devices

Part 6 An Overview of Complementary and Alternative Medicine

Chapter 18 Acne, Alopecia, Eczema / Atopic Dermatitis and Psoriasis
