### SECTION I

## INTRODUCTION TO FULL-ARCH IMPLANT DENTISTRY

### CHAPTER 1

<b>WHAT IS FIXED FULL-ARCH IMPLANT DENTISTRY? .....</b>	<b>3</b>
Fixed Full-Arch Implant Dentistry Defined .....	4
Background and History of Fixed Full-Arch Implant Dentistry .....	5
Definitions and Classifications of Fixed Full-Arch Implant-Supported Prosthetics .....	6
The Right Process and Design for Your Patient. ....	12
The Osteoplasty Debate. ....	13
Objectives for Fixed Full-Arch Dental Implant Rehabilitation	13
Options for Edentulous and Partially Edentulous Patients. ....	17
Features of Fixed Full-Arch Implant Rehabilitation .....	30
Should You Consider Adding Fixed Full-Arch Dentistry into Your Practice? .....	40

---

**SECTION II**  
**PATIENT SELECTION**  
**AND DATA COLLECTION**

**CHAPTER 2**  
**DATA COLLECTION, PART 1.**  
**THE CONSULTATION** ..... 49

The Initial Appointment ..... 50

**CHAPTER 3**  
**DATA COLLECTION, PART 2.**  
**FINAL RECORDS** ..... 81

Digital Photography ..... 81

Fixed Full-Arch Photo Series ..... 90

Digital Impressions ..... 101

VDO Orthotic Positioning Device,  
 or Jaw Relation Device ..... 109

Prosthetic Design Considerations ..... 119

Patient Consent  
 and Photographic Consent ..... 120

Vitamin D Testing ..... 123

Patient Medical Clearance ..... 123

---

**SECTION III**  
**PROSTHETICALLY DRIVEN TREATMENT**  
**PLANNING**

**CHAPTER 4**  
**STACKABLE SURGICAL GUIDE SYSTEM**.. 127

Surgical Components ..... 129

Conversion Components ..... 157

**CHAPTER 5**  
**DIGITAL CASE PLANNING, ENGINEERING,**  
**AND DESIGN** ..... 169

Clinician-Laboratory Communication ..... 170

Principles of Case Planning, Engineering, and Design .... 176

Digital Treatment-Planning Steps ..... 179

## SECTION IV

## THE FIXED FULL-ARCH GUIDED IMPLANT SURGICAL PROCESS

## CHAPTER 6

## SURGERY PREPARATION . . . . . 195

Surgical Suite . . . . . 195

Implants and Implant Components . . . . . 197

The Inventory Effect . . . . . 197

Biologics . . . . . 199

Medications and Gases . . . . . 199

Hemostasis Control . . . . . 199

Instrumentation and Other Materials . . . . . 200

Surgical Reports . . . . . 203

## CHAPTER 7

## STEP-BY-STEP SURGICAL WORKFLOW . . . 207

Step 1: Roll Call . . . . . 208

Step 2: Anesthesia and Throat Protection . . . . . 210

Step 3: Verification of Indexing Aligner Fit . . . . . 215

Step 4: Incision and Flap Elevation . . . . . 218

Step 5: Foundation Guide Placement/Fixation . . . . . 222

Step 6: Teeth Extraction (Dentate Patients) . . . . . 228

Step 7: Bone Reduction . . . . . 235

Step 8: Osteotomy Guide and Implant Placement . . . . . 245

Step 9: Carrier Guide/Abutment Aligner  
and MUA Placement . . . . . 257

Step 10: Interim Prosthesis Pick-up . . . . . 262

Step 11: Replica Appliance Pick-up . . . . . 273

Step 12: Interim Prosthesis Conversion . . . . . 276

Step 13: Closing and Suturing . . . . . 282

Step 14: Seating of the Finished Interim Prosthesis . . . . . 290

Step 15: Postsurgical Procedures . . . . . 297

Step 16: Postoperative Appointments . . . . . 299

---

**SECTION V**
**THE PROSTHETIC WORKFLOW**
**CHAPTER 8**
**PROSTHETIC WORKFLOW  
PREPARATION AND COMPONENTS . . . . . 309**

Patient Appointments with Timing . . . . . 309

Implant and Tissue Considerations . . . . . 310

Prosthetic Components Overview . . . . . 314

**CHAPTER 9**
**STEP-BY-STEP  
PROSTHETIC WORKFLOW . . . . . 321**

Verification Appliance Technique: Appointment 1 . . . . . 322

Verification Appliance Technique: Appointment 2 . . . . . 339

Replica Appliance Technique: Appointment 1 . . . . . 355

Resin Prototype: Appointment 3 . . . . . 367

Delivery: Appointment 4 . . . . . 395

Postdelivery: Appointment 5 . . . . . 404

The Future of the Prosthetic Workflow . . . . . 408

---

**SECTION VI**
**FIXED FULL-ARCH DENTISTRY  
MAINTENANCE AND HYGIENE**
**CHAPTER 10**
**STEP-BY-STEP MAINTENANCE  
AND HYGIENE PROTOCOL . . . . . 417**

Hygiene and Maintenance Concepts and Rationale . . . . . 417

Maintenance and Hygiene Protocol . . . . . 424

 Fixed Full-Arch Implant Dentistry Workflow  
for the Hygienist . . . . . 425

Full-Arch Implant Rehabilitation Case Study . . . . . 444
