

Bibliografia

Benvenuti nella sezione bibliografica di *Cani. Una guida facile facile (dalla A alla Z)*. L'ultimo accesso ai link è stato effettuato a maggio 2023. In caso di link non più disponibile, vi preghiamo di copiare il link o il titolo nel vostro browser per individuare il riferimento bibliografico di vostro interesse.

Introduzione. Un libro sui cani per tutti

- p. 17 ai quali viene costantemente chiesto di fare: BEKOFF M. (2022), *Are Pet Dogs Really Better Off Than Free-Range Canines?*, in <https://psychologytoday.com/us/blog/animal-emotions/202205/are-pet-dogs-really-better-off-than-free-range-canines>, May 7.
- p. 17 L'addestramento è una forma di educazione: BEKOFF M. (2022), *Is a "Bad Dog" Really a "Bad Dog"?*, in <https://psychologytoday.com/us/blog/animal-emotions/202205/is-bad-dog-really-bad-dog>, May 8.
- p. 17 i cani sono presenti in circa 64 milioni di nuclei familiari: *Pet Ownership Statistics* (2022), in <https://spots.com/pet-ownership-statistics>, December 7.
- p. 17 per i treni ad alta velocità Shinkansen, è allo studio una carrozza *pet-friendly*: WERTHEIMER T. (2022), *Pampered Pooches Ride Japan's Shinkansen in Style*, in <https://bbc.com/news/world-asia-61543052>, May 22.
- p. 18 Non tutti i membri di una determinata razza si comporteranno sempre: BEKOFF M. (2019), *Dog Breeds Don't Have Distinct Personalities*, in <https://psychologytoday.com/us/blog/animal-emotions/201901/dog-breeds-dont-have-distinct-personalities>, January 9.
- p. 18 Gran parte della ricerca dipende: BURKS J. (2015), *The New Science of Canine Cognition*, in "Academic Journal of Canine Science", October 7, <http://ajcs.org.uk/uncategorized/the-new-science-of-canine-cognition>.
- p. 18 ma molti non sanno che solo il 25% circa: BEKOFF M., PIERCE J. (2021), *I cani senza di noi. Immaginare i cani in un mondo senza gli umani*, Haqihana, Fenegrò (CO).

- p. 18 La buona notizia è che attualmente vi sono numerosi progetti: ROWAN A. (2022), *Humane Management of Global Dogs*, in <https://wellbeingintl.org/humane-management-of-global-dogs>, March 2.
- p. 18 Diciamo costantemente ai cani che cosa devono: BEKOFF M. (2017), *For Dogs, Helicopter Humans Don't Balance Scolds and Praise*, in <https://psychologytoday.com/us/blog/animal-emotions/201709/for-dogs-helicopter-humans-dont-balance-scolds-and-praise>, September 9.
- p. 18 Un eccesso di coccole e di attenzioni: SOUTER F. (2022), *Family Pet or Furry Human: The High Cost to Dogs of All Our Fussing*, in "The Sydney Morning Herald", July 8, <https://smh.com.au/national/family-pet-or-furry-human-the-high-cost-to-dogs-of-all-our-fussing-20220608-p5as73.html>.
- p. 18 A proposito del *Libro che il tuo cane vuole che tu legga*: BEDDINGTON E. (2021), "We Don't Have to Command Them – It's a Relationship": Meet Britain's Top Dog Whisperer, in "The Guardian", December 19, <https://theguardian.com/lifeandstyle/2021/dec/19/we-dont-have-to-command-them-its-a-relationship-meet-britains-top-dog-whisperer>.
- p. 19 Analogamente, nel libro *Love Is All You Need*: ARNOLD J. (2016), *Love Is All You Need*, Spiegel & Grau, New York.
- p. 19 Qualcuno si domanda addirittura se ce li meritiamo, i cani: SALLEH M. (dir.) (2021), *We Don't Deserve Dogs*, Urtext Film Productions, Australia, <https://wedontdeservedogs.com>.
- p. 19 Mi chiedo spesso se il processo di domesticazione: RENDER TURMAUD D. (2020), *What Is Collective Trauma?*, in <https://psychologytoday.com/us/blog/lifting-the-veil-trauma/202005/what-is-collective-trauma>, May 20; NIBERT D. A. (2013), *Animal Oppression and Human Violence*, Columbia University Press, New York.
- p. 19 Anche se consideriamo il trauma collettivo: WILKINS V. R. (2020), *Encultured Captivity: The Ecopsychology of Collective Trauma*, PhD dissertation, California Institute of Integral Studies, <https://proquest.com/openview/bf7f8dcc67afc7ab573881d4e116c65d/1?pq->.
- p. 20 Per esempio, i cani non sono i "migliori amici dell'uomo": BEKOFF M. (2020), *Do Pets Really Unconditionally Love and Unwind Us?*, in <https://psychologytoday.com/us/blog/animal-emotions/202006/do-pets-really-unconditionally-love-and-unwind-us>, June 15.
- p. 20 Quando i cani amano, è più di un semplice attaccamento: HOWARD J. (2022), *I'm a Man of Facts and Science, but I know This – What Dogs Feel Is Not Just Attachment, It's Love*, in "The Guardian", May 11, <https://theguardian.com/commentisfree/2022/may/11/as-a-science-writer-its-hard-to-say-but-dogs-love-people>.
- p. 20 Se il vostro cane sembra non amarvi: ZELLER J. (2022), *Does My Dog Like Me?*,

- The Farmer's Dog*, April 17, 2022, in <https://thefarmersdog.com/digest/does-my-dog-like-me/>.
- p. 20 Lo stretto rapporto con gli umani: *Dogs Became Perfect Human Companion Thanks to a Gene That Lowered Their Stress: New Study* (2022), in <https://goodnewsnetwork.org/dogs-became-human-companion-due-to-gene-that-lowered-stress/>, June 11.
- p. 20 Nel suo pluripremiato libro *I 5 linguaggi dell'amore. Come dire ti amo alla persona amata*: CHAPMAN G. (2002), *I 5 linguaggi dell'amore. Come dire ti amo alla persona amata*, Elledici, Rivoli (TO) (ed. or. 1992).
- p. 20 come questi aspetti possano essere applicati alla relazione cane-umano: BEKOFF M. (2022), *Dog-Human Relationships and the Five Love Languages*, in <https://psychologytoday.com/us/blog/animal-emotions/202204/dog-human-relationships-and-the-five-love-languages>, April 6.
- p. 21 Si tratta di presupposti che possono influenzare: MORSE N. E. (2022), *Selfie Aesthetics*, Duke University Press, Durham.
- p. 22 Storicamente la *citizen science* ha contribuito: STEWART L. et al. (2015), *Citizen Science as a New Tool in Dog Cognition Research*, in "PLOS One", 10, 9, <https://doi.org/10.1371/journal.pone.0135176>.
- p. 23 Trattare i cani come se non provassero emozioni: BEKOFF M. (2019), *Stripping Animals of Emotions Is "Anti-Scientific & Dumb"*, in <https://psychologytoday.com/us/blog/animal-emotions/201903/stripping-animals-emotions-is-anti-scientific-dumb>, March 9.
- p. 23 Una relazione cane-umano sana è una strada a doppio senso: BEKOFF M. (2022), *Healthy Dog-Human Relationships Require Mutual Respect*, in <https://www.psychologytoday.com/us/blog/animal-emotions/202205/healthy-dog-human-relationships-require-mutual-respect>, May 22.
- p. 29 Brian Hare, professore alla Duke University: HARE B., WOODS V. (2013), *Gli manca solo la parola*, Sperling & Kupfer, Milano.
