

INDICE DEI CAPITOLI

INTRODUCTION - Principles of endocrinology and general mechanisms of hormone action

Luca Persani

INTRODUCTION - The feedback mechanism

Luca Persani

INTRODUCTION - Regulation of puberty

Giulia Rastrelli, Mario Maggi

INTRODUCTION - Regulation of food intake and metabolic rate

Ferruccio Santini

INTRODUCTION - Physiology of water homeostasis

Benedetta Fibbi

DISORDERS OF HYPOTHALAMO-PITUITARY AXIS

Hoong Wei Gan, Eva Coopmans, Niki Karavitaki, Alberto M. Pereira, Nienke Biermasz, Mehul Dattani

THYROID - Thyroid and hypothyroidism

Luca Persani, Guia Vannucchi, Laura Fugazzola

THYROID - Hypothyroidism in pediatric age: congenital hypothyroidism

Athanasia Stoupa, Michel Polak

THYROID - Hyperthyroidism in adulthood

Luca Persani, Irene Campi, Guia Vannucchi

THYROID - Hyperthyroidism and thyrotoxicosis in pediatric age

Athanasia Stoupa, Michel Polak

THYROID - Thyroid goiter and thyroid nodules in the adult

Laura Fugazzola, Carla Colombo

THYROID - Thyroid cancer

Laura Fugazzola, Carla Colombo

THYROID - Goiter and thyroid nodules in pediatric age

Athanasia Stoupa, Michel Polak

THYROID - Thyroid hormone signaling disorders

W. Edward Visser

PARATHYROID - Regulation of calcium and phosphorous metabolism

Jessica Pepe, Andrea Del Fattore, Salvatore Minisola, Cristiana Cipriani

PARATHYROID - Hypocalcemia and hypoparathyroidism

Andrea Palermo, Gaia Tabacco, Iacopo Chiodini

PARATHYROID - Hyperparathyroidism and hypercalcemia

Alberto Falchetti, Antonio Salcuni, Flavia Pugliese, Alfredo Scillitani

PARATHYROID - Parathyroid disease and rare disorders of calcium-phosphate homeostasis in childhood

Giampiero I. Baroncelli

PARATHYROID - Osteoporosis

Iacopo Chiodini, Elisa Cairoli, Daniela Merlotti, Luigi Gennari

PARATHYROID - Paget's disease of bone

Daniela Merlotti, Luigi Gennari

ADRENAL - Brief physiology and anatomy and steroidogenesis

Hedi L. Claahsen-van der Grinten

ADRENAL - Hypercortisolism

Alberto M. Pereira

ADRENAL - Primary aldosteronism and secondary hypertension - Primary aldosteronism

Jaap Deinum

ADRENAL - Primary aldosteronism and secondary hypertension - Secondary hypertension: pheochromocytoma and paraganglioma

Henri J.L.M. Timmers, Eleonora P. Corssmit

ADRENAL - Hypocortisolism

Alberto M. Pereira

ADRENAL - Congenital adrenal hyperplasia

Hedi L. Claahsen-van der Grinten

ADRENAL - Adrenal incidentalomas

Olaf M. Dekkers

ENDOCRINOLOGY OF REPRODUCTION - Brief physiology and anatomy of reproductive axis in both sexes

Giulia Rastrelli, Mario Maggi

ENDOCRINOLOGY OF REPRODUCTION - Pubertal delays

Marco Bonomi, Mehul Dattani

ENDOCRINOLOGY OF REPRODUCTION - Precocious puberty

Marco Bonomi

ENDOCRINOLOGY OF REPRODUCTION - Male hypogonadism

Giulia Rastrelli, Mario Maggi

ENDOCRINOLOGY OF REPRODUCTION - Premature ovarian insufficiency

Julie Sarfati, Sophie Christin-Maitre

ENDOCRINOLOGY OF REPRODUCTION - Polycystic ovary syndrome

Vincenza di Stasi, Elisa Maseroli, Mario Maggi, Linda Vignozzi

ENDOCRINOLOGY OF REPRODUCTION - Disorders and differences of sex development

Renata Markosyan, Olaf Hiort

ENDOCRINOLOGY OF REPRODUCTION - Male infertility

Csilla Krausz, Viktoria Rosta

GLUCOSE METABOLISM - Diagnosis and management of diabetes mellitus

Edoardo Mannucci, Giovanni Antonio Silverii

GLUCOSE METABOLISM - An outlook on diabetes in children and adolescents

Giulio Frontino, Andrea Rigamonti, Tara Raouf, Riccardo Bonfanti

GLUCOSE METABOLISM - Hypoglycemia

Edoardo Mannucci, Giovanni Antonio Silverii

METABOLIC DISORDERS - Metabolic syndrome and obesity - Metabolic syndrome

Ingrid Körber-Rosso, Giovanni Ceccarini, Ferruccio Santini, Martin Wabitsch

METABOLIC DISORDERS - Metabolic syndrome and obesity - Obesity

Ingrid Körber-Rosso, Giovanni Ceccarini, Ferruccio Santini, Martin Wabitsch

METABOLIC DISORDERS - Lipodystrophies: from diagnosis to treatment

Giovanni Ceccarini, Ingrid Körber-Rosso, Martin Wabitsch, Ferruccio Santini

HERITABLE MULTIPLE ENDOCRINE NEOPLASIA - Multiple endocrine neoplasia type 1

Joanne C. Blair, Carolina R. Pieterman, Gerlof D. Valk

HERITABLE MULTIPLE ENDOCRINE NEOPLASIA - Sporadic and familial medullary thyroid cancer

Laura Fugazzola, Carla Colombo

HERITABLE MULTIPLE ENDOCRINE NEOPLASIA - Carney complex

Joanne C. Blair, Henriett Butz, Attila Patocs

ENDOCRINE EMERGENCIES - Management of hyponatremia

Alessandro Peri

ENDOCRINE EMERGENCIES - Thyroid storm or thyrotoxic crisis

Luca Persani, Irene Campi

ENDOCRINE EMERGENCIES - Myxedematous coma

Luca Persani, Guia Vannucchi

ENDOCRINE EMERGENCIES - Acute diabetes management

Edoardo Mannucci, Giovanni Antonio Silverii

ENDOCRINE EMERGENCIES - Management of hypocalcemic crisis

Andrea Palermo, Gaia Tabacco, Iacopo Chiodini

ENDOCRINE EMERGENCIES - Severe hypercalcemia

Iacopo Chiodini

ENDOCRINE EMERGENCIES - Stress management

Hedi L. Claahsen-van der Grinten, Alberto M. Pereira
